

Board of Directors Nominations 2021 Candidate Bios and Statements

Judith Haynes

Occupation: Retired college professor/administrator and online education small business owner

Years as a Heritage Grove Member: 16 years

Why does this position appeal to you? I would like to continue to contribute to the credit union through board membership.

Campaign Statement: Having served on the board for the past six years, I have learned a great deal about my credit union and how it functions for the good of its members. I think I still have more to offer, especially in the areas of education and learning. Being on the board and working with the leadership of the credit union has opened my eyes to the great job each person does to enhance the membership experience. I would like to continue that affiliation.

Dagoerto Benavidez

Occupation: Retired, State of Oregon Employment Department

Years as a Heritage Grove Member: 20 years

Why does this position appeal to you? To continue to provide excellent services to Heritage Grove clientele, and if my cultural background (Latino) would help in any way, the better.

Campaign Statement: I have been a member of Heritage Grove since my employ with the Employment Department and have received excellent services so much so that I have been able to direct acquaintances and friends to bank here.
